

2017 Bypass Program

As a climber who has participated in the Safety Briefing multiple times this season, you are eligible to participate in our Bypass Program. Please answer the questions below, and demonstrate your knowledge of the equipment to an LIAP Staff Member. If successful, you gain the advantage of climbing without going through the entire Safety Briefing Session and participating in select events throughout the season.

Please answer the questions below:

1. What is a tweezele and what does it do?
2. What does it mean when you come to a blue tweezele? Green Tweezele?
3. How do you hold a zip line trolley?
4. When you come to a zip line, what is the first thing to put on and the last to come off?
5. When preparing to climb a ladder, what is the first thing that goes on?
6. Before climbing up to Main Platform, what must you do?
7. Before starting a course, what must you do?
8. If you need assistance, who must you call?
9. How many people are allowed on each platform? Element?
10. Are faster climbers allowed to pass slower climbers while in the trees? If so, what is the most important thing to remember?
