

TALK ABOUT TEAM BUILDING!

A GROUP EVENT THEY'LL REMEMBER

Make your next group event something special. Host it at The Adventure Parksm. The unique combination of outdoor fun, challenge and shared experience pulls your group together like nothing else. They'll remember it for years to come!

KIDS, TEENS, ADULTS

The Adventure Parksm is not just for kids. Our selection of varied "aerial trails" provide suitable challenges for all ages, seven and older. It's an inviting place for all climbing abilities—from complete beginner through advanced, from grade school age through active senior citizen.

NON-CLIMBING FRIENDS ADMITTED FREE

Plus, our beautiful forest paths and picnic tables at The Adventure Parksm are free of charge to non-climbing family and friends. Everyone can share the experience in his or her own way.

Your group leaves with smiles and great feelings about themselves—and each other.

MORE THAN JUST ZIP LINES

The Adventure Parksm is a beautiful forest park with platforms positioned in the trees. Rope or cable bridges called "elements" connect the platforms. The fun is in crossing these elements, proceeding from platform to platform. Some elements are zip lines where climbers glide along. A series of elements form an aerial trail. The Adventure Parksm features multiple color-coded trails to choose from—beginner through advanced. So there is the right challenge for every climber to enjoy at his or her own pace. A climbing ticket provides hours of fun where climbers can experience several trails at the levels they choose.

All climbers receive a complete orientation before climbing and wear specially designed harnesses that connect them to safety cables throughout their time in the trees. Our friendly staff is always on hand to answer questions and assist if needed.

SPECIAL GROUP PRICING & RESERVED TIMES

Groups of 10 or more climbers enjoy reserved times (no waiting) and discounted rates (the larger your group the more you save.) Non-climbing family & friends admitted free.
